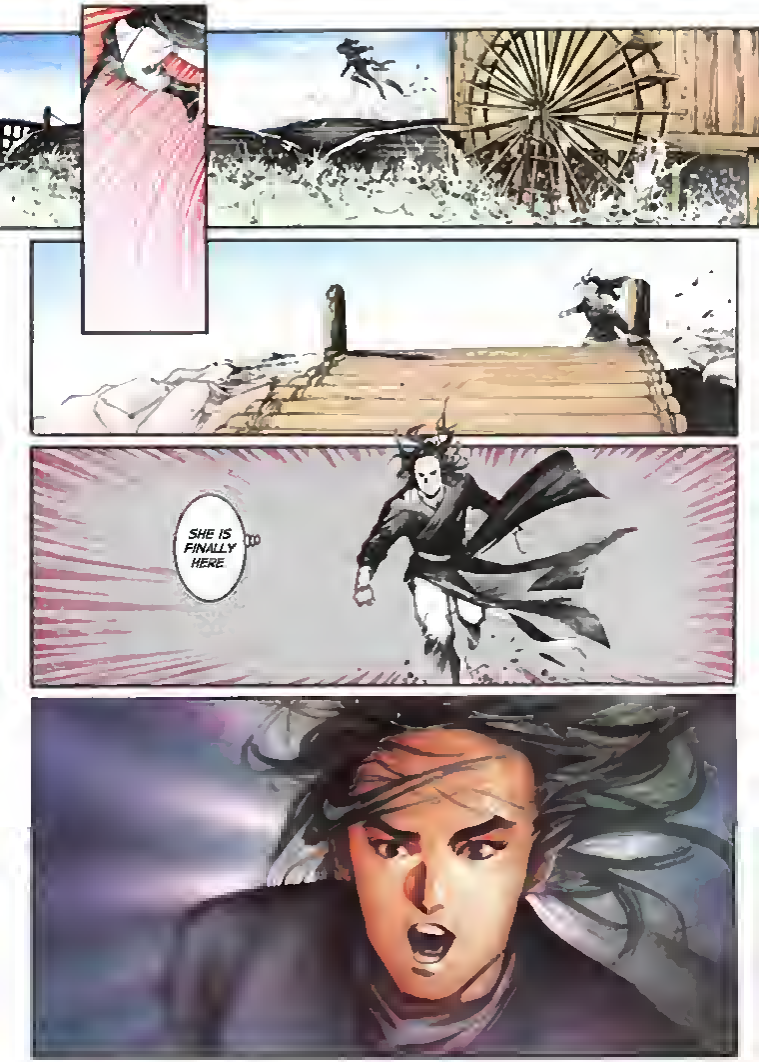
CHAPTER 12
THE LOOK IN WIND'S EYES

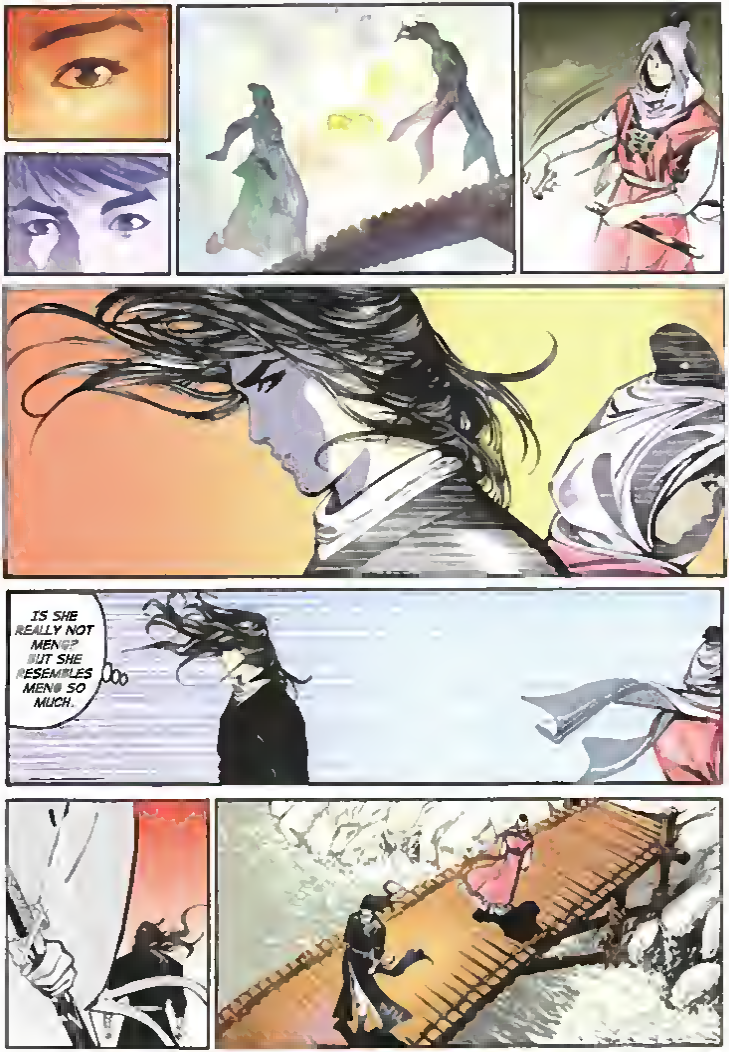


SHE IS FINALLY HERE

I'M SORRY, I THOUGHT YOU WERE SOMEONE ELSE.

AH!

WHAT ARE YOU TRYING TO DO? HOW DARE YOU BLOCK MY WAY?



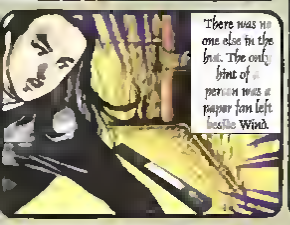
IS SHE REALLY NOT MENG? BUT SHE RESEMBLES MENG SO MUCH.

This martial artist had great movement skills, one of the top 5 martial artists with such quick movements... On top of that, he had a lot of Chi, giving him the ability to travel quickly for consecutive days without feeling any fatigue. His name was -
Shen Xing, Tai Bai!

Conquer sent Wind to stop the rampage of a martial artist.

Five years ago...

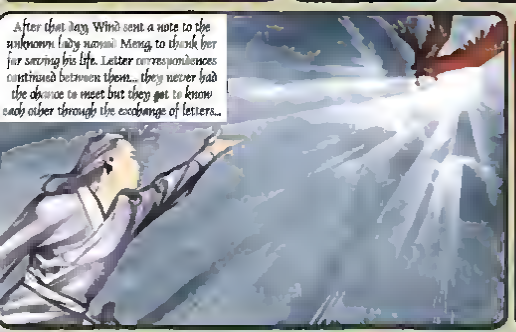
When he came to, he found himself in a raw hut, and all his injuries treated.



There was no one else in the hut. The only hint of person was a paper fan left beside Wind.

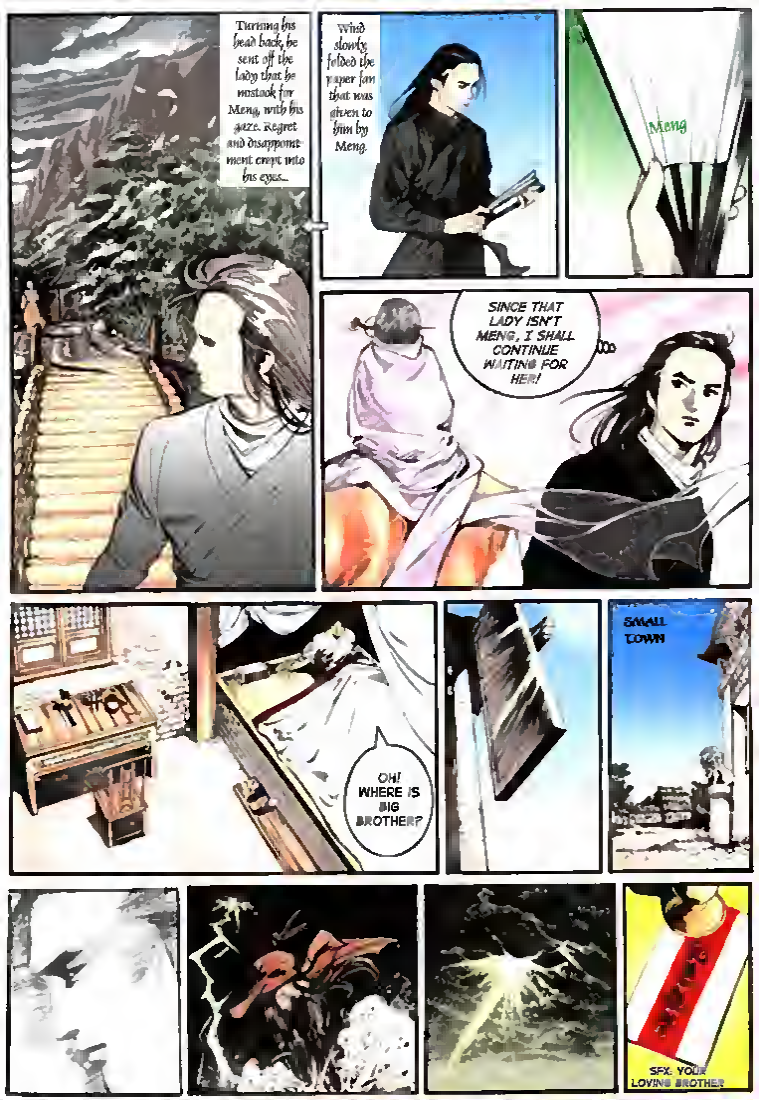
He fell over a cliff and lost consciousness...

Wind was injured in this mission!

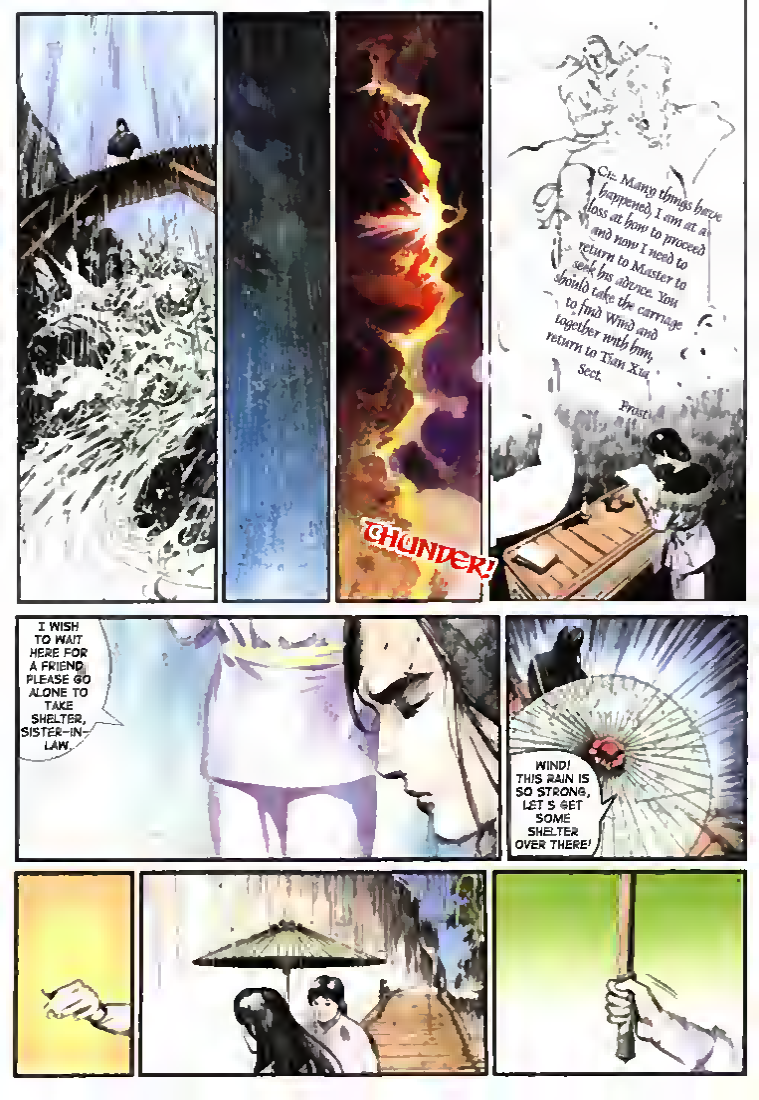


After that day, Wind sent a note to the unknown lady named Meng, to thank her for saving his life. Letter correspondences continued between them... they never had the chance to meet but they got to know each other through the exchange of letters...

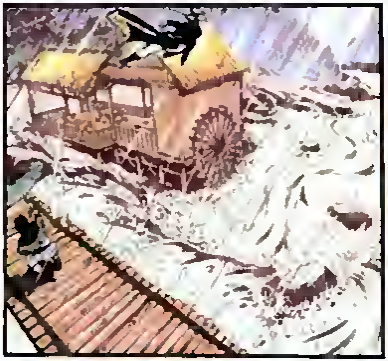
Meng

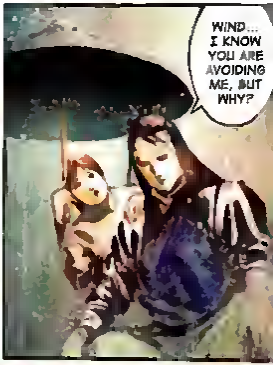


Turning his head back, he sent off the lady that he mistook for Meng, with his gaze. Regret and disappointment crept into his eyes...
Wind slowly folded the paper fan that was given to him by Meng.
Meng
SINCE THAT LADY ISN'T MENG, I SHALL CONTINUE WAITING FOR HER!
OH! WHERE IS BIG BROTHER?
SMALL TOWN
SFX: YOUR LOVING BROTHER



THUNDER!
Ci: Many things here happened, I am at a loss at how to proceed and now I need to return to Master to seek his advice. You should take the carriage to find Wind and together with him return to Tian Xu Sect.
Frost
I WISH TO WAIT HERE FOR A FRIEND, PLEASE GO ALONE TO TAKE SHELTER, SISTER-IN-LAW.
WIND! THIS RAIN IS SO STRONG, LET S GET SOME SHELTER OVER THERE!

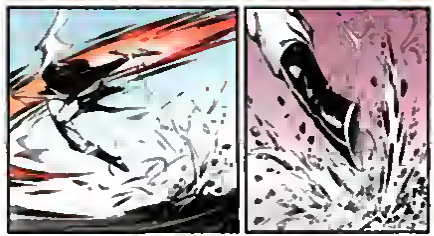




WIND... I KNOW YOU ARE AVOIDING ME, BUT WHY?

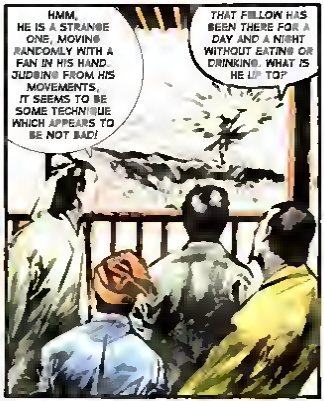
SHAA!

MY WIND GOD LEE'S TECHNIQUE IS PERFECT FOR ATTACKING AND DEFENDING FROM A DISTANCE. HOWEVER, IT IS NOT AS EFFECTIVE IN CLOSE CONTACT COMBAT...



IF I WERE TO COMBINE MY SUPERIOR LEE TECHNIQUES WITH ATTACKS FROM THE FAN IN MY HAND, MY ATTACKING STYLE WILL BE MORE FLEXIBLE!

PK WINE



HMM, HE IS A STRANGE ONE, MOVING RANDOMLY WITH A FAN IN HIS HAND. JUDGING FROM HIS MOVEMENTS, IT SEEMS TO BE SOME TECHNIQUE WHICH APPEARS TO BE NOT BAD.
THAT FELLOW HAS BEEN THERE FOR A DAY AND A NIGHT WITHOUT EATING OR DRINKING. WHAT IS HE UP TO?

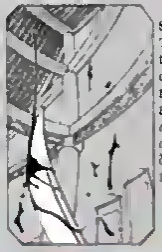
EVER SINCE I PARTED FROM YOU, I'VE BEEN THINKING OF YOU.
YOU... HOW DID YOU KNOW I WOULD BE HERE?

I CANNOT LOSE YOU!

AH!

At this moment, a sharp uncomfortable aura broke their eye contact.
Their eyes met tenderly. Cloud's eyes held a sense of affection but also a tinge of helplessness.
Who was staring at them with a pair of cold and fierce eyes.
If looks could kill, it would have killed everyone in the pavilion.
The stare was so powerful that it caused to be a human's stare. It was the glare of a beast.
All living creatures in that area felt the aura of death and began to flee.
The eyes sought blood and death

Chad felt the coldness in Wraith's stare but he was not affected by it.
He knew what would come after the stare. He had once before, witnessed the destructive actions that followed.

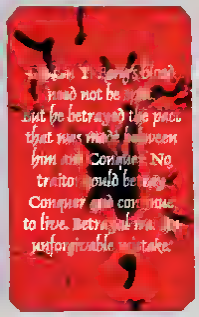


Sword. The item that caused the blood to flow and shout out in all directions.

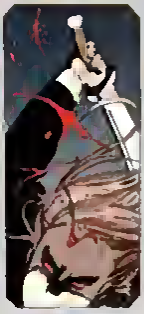
Blood. Bright red, violence and cruelty.

It was a similarly dark and rainy night.

Six years ago.



Blood. The blood of Invincible Fort Sect's chief, Du Gu Yi Fang.

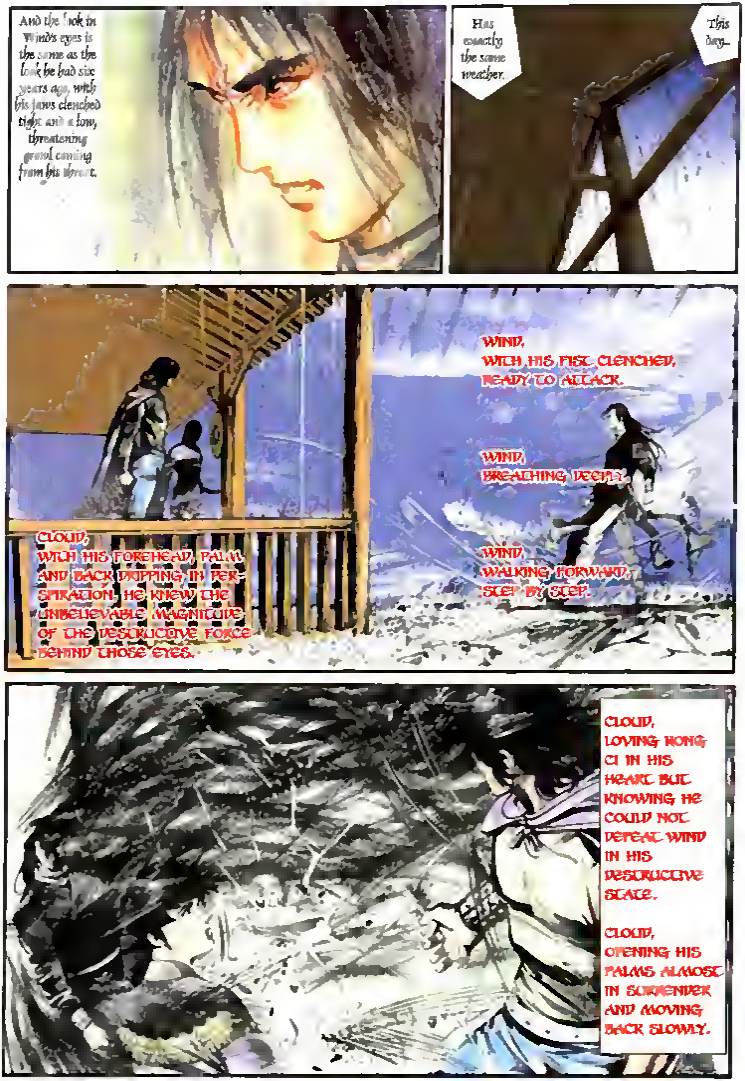


Sword. Wind's sword

Location. Invincible Fort.

But this chance had already been taken by Wind, who slashed off the head of the man, ten times stronger than he was, with one single blow.

Killing Du Gu Yi Fang was the perfect opportunity for Cloud to raise his status in Thin Xia Sect.



And the look in Wind's eyes is the same as the look he had six years ago, with his jaws clenched tight and a low, threatening growl coming from his throat.
This boy...
Has exactly the same weather.
CLOUD, WITH HIS FOREHEAD, PALM AND BACK DRIPPING IN PERSPIRATION, HE KNEW THE UNBELIEVABLE MAGNITUDE OF THE DESTRUCTIVE FORCE BEHIND THOSE EYES.
WIND, WITH HIS FIST CLENCHED, READY TO ATTACK.
WIND, BREATHING DEEPLY.
WIND, WALKING FORWARD, STEP BY STEP.
CLOUD, LOVING WONG CI IN HIS HEART BUT KNOWING HE COULD NOT DEFEAT WIND IN HIS DESTRUCTIVE STATE.
CLOUD, OPENING HIS PALMS ALMOST IN SURRENDER AND MOVING BACK SLOWLY.

As Cloud removed his hand that was holding on to King Ci, Wind's eyes softened and gradually returned to normal...
YOU'RE ALREADY OUR SISTER-IN-LAW PLEASE BEHAVE RIGHTEOUSLY, OR OTHERS WILL BE TALKING BEHIND OUR BACKS
WIND, I...
DON'T EXPLAIN, I DON'T WISH TO SEE THIS HAPPEN AGAIN!
With lifted his head to the sky and the pouring rain, as if allowing the rain to wash off the events that has just happened...

SFX: SHAA!

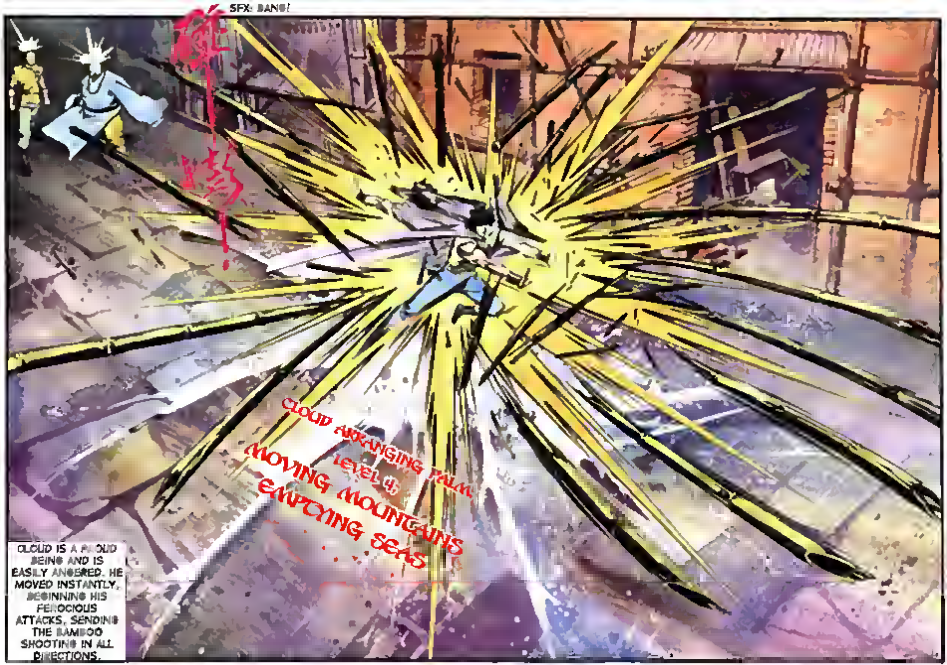
HNG, I HAVE YET TO FORGET THE HUMILIATION I FELT THEN, I AM HERE TO DEFEAT YOU TODAY!
DEFECTOR WAVE! WE HAVE BEEN SEARCHING FOR YOU FOR YEARS AND YOU CAME TO US TODAY...

With a glance out of the corner of his eyes, Cloud realized that there were two others blocking his retreat path.

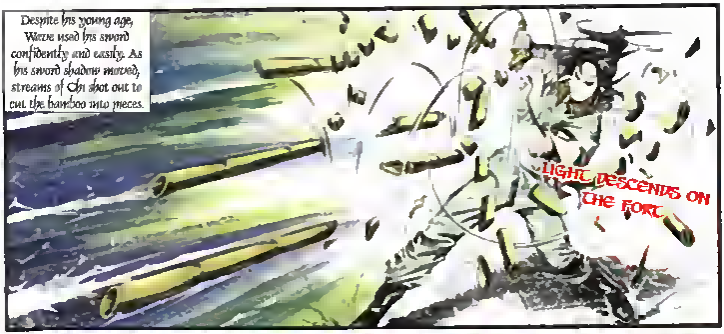
AH YOU'RE TOGE-THER!

SHI WU ZHUN

ALRIGHT! COME AT ME!

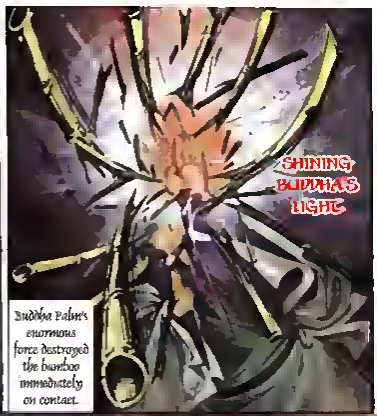


SFX: BANG!
CLOUD AVENGING PALM
LEVEL 4:
MOVING MOUNTAINS
CAUSING SEAS
CLOUD IS A FOOLISH BEING AND IS EASILY ANGERED. HE MOVED INSTANTLY, BEGINNING HIS FEROCIOUS ATTACKS, SENDING THE BAMBOO SHOOTING IN ALL DIRECTIONS.



Despite his young age, Wave used his sword confidently and easily. As his sword shadow moved, streams of Ch shot out to cut the bamboo into pieces.
LIGHT DESCENDS ON THE FORT

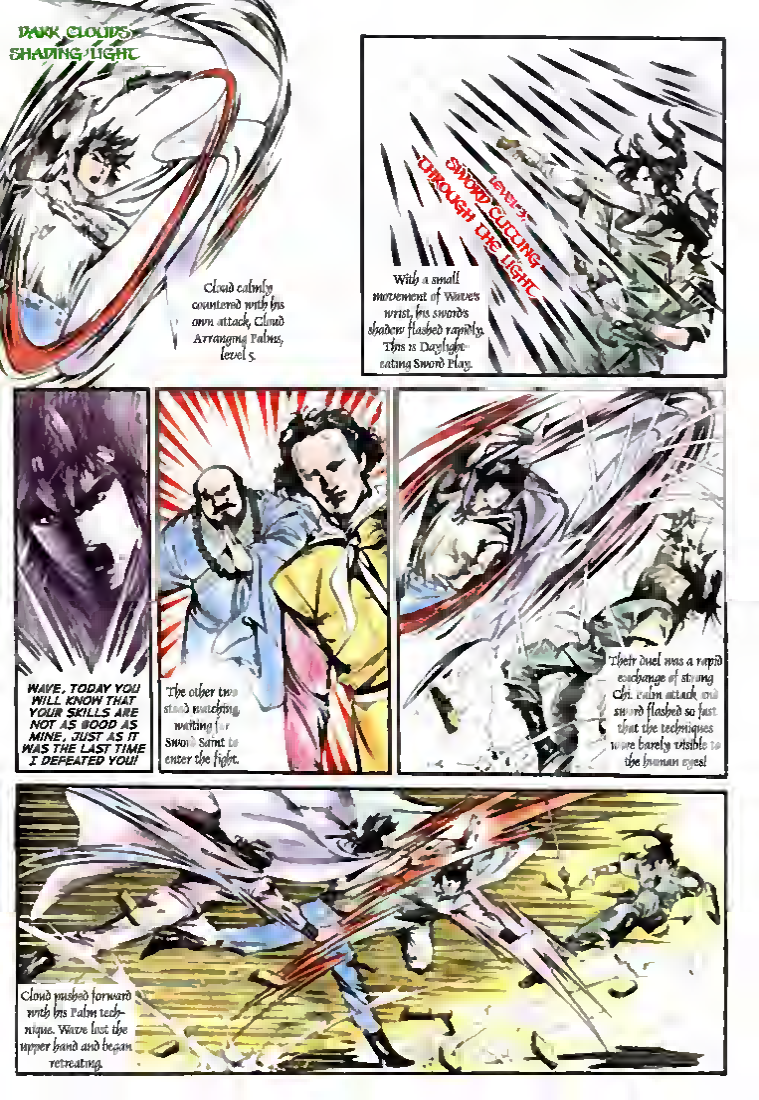
Dr Gi Wu's leg technique blocked off the bamboo attack in swift movements.
DRAGON SUBDUING KICK
FLYING OVER DISTANCES



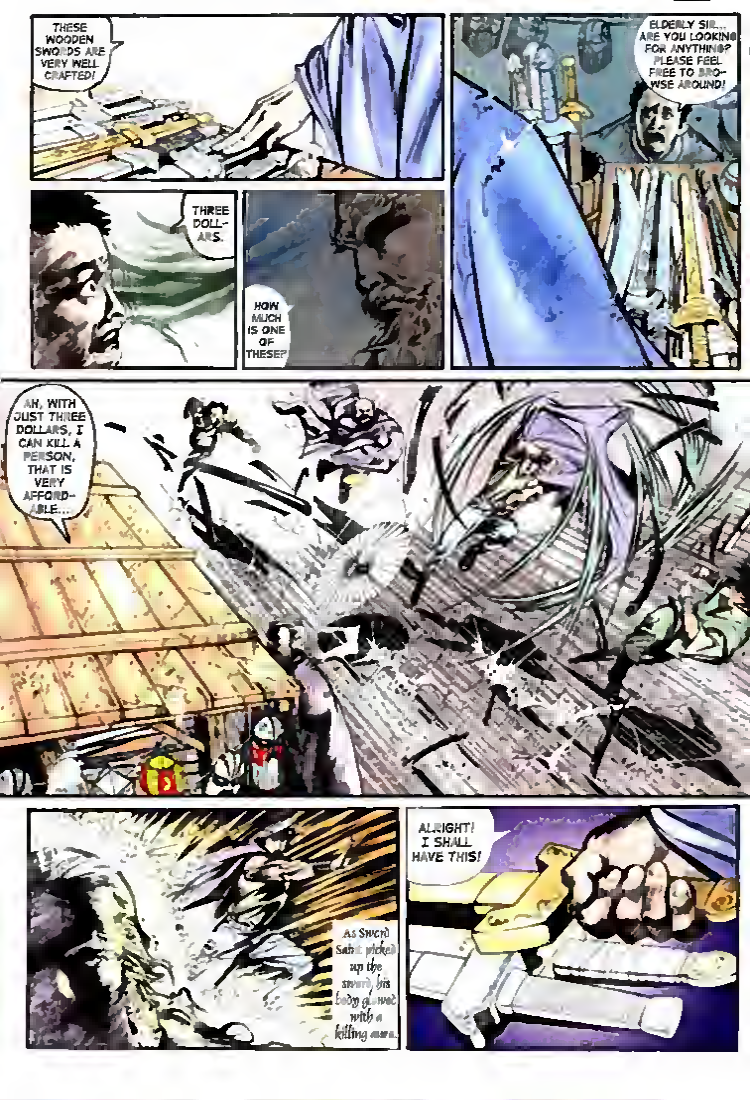
SHINING BUDDHA'S LIGHT
Buddha Palm's enormous force destroyed the bamboo immediately on contact.

In one move, Cloud managed to expose the techniques of his three opponents. He now knew that his opponents meant to kill him and he had to move fast.

His three opponents were not highly skilled, of them, only Wave was slightly more unpredictable and it was Wave that Cloud made his first attack upon.



DARK CLOUDS SHADING LIGHT
Cloud calmly countered with his own attack, Cloud Arranging Palms, level 5.
Level 7
SWORD CUTTING THROUGH THE LIGHT
With a small movement of Wave's wrist, his sword's shadow flashed rapidly. This is Daylight-eating Sword Play.
WAVE, TODAY YOU WILL KNOW THAT YOUR SKILLS ARE NOT AS GOOD AS MINE, JUST AS IT WAS THE LAST TIME I DEFEATED YOU!!
The other two stand watching, waiting for Sword Saint to enter the fight.
Their duel was a rapid exchange of strong Chi, palm attack and sword flashed so fast that the techniques were barely visible to the human eyes!
Cloud pushed forward with his Palm technique. Wave lost the upper hand and began retreating.



THESE WOODEN SWORDS ARE VERY WELL CRAFTED!
ELDERLY SIR... ARE YOU LOOKING FOR ANYTHING? PLEASE FEEL FREE TO BROWSE AROUND!
THREE DOLLARS.
HOW MUCH IS ONE OF THESE?
AH, WITH JUST THREE DOLLARS, I CAN KILL A PERSON, THAT IS VERY AFFORDABLE...
As Sword Saint picked up the sword, his body glowed with a killing aura.
ALRIGHT! I SHALL HAVE THIS!

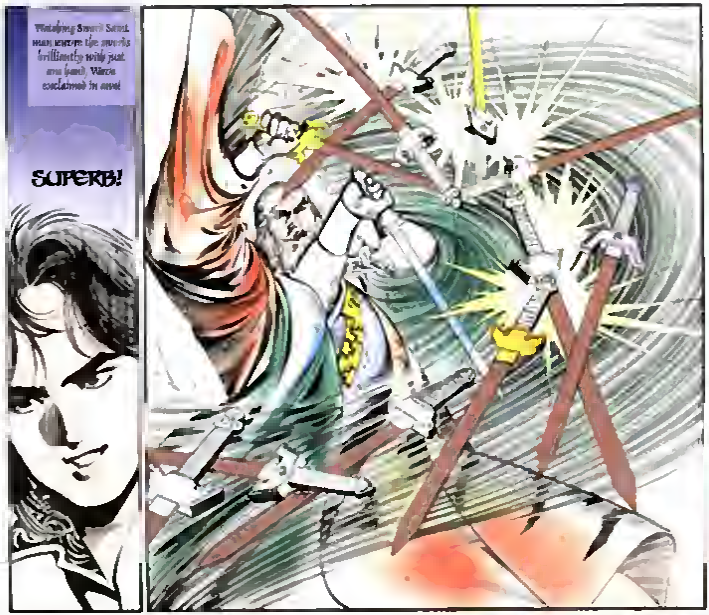
Transferring his powerful Qi to the ... ten swords, they burst out of their sheaths!

SFX: WHOOSH!

SFX: WHIZ!

Watching Sword Saint maneuver the swords brilliantly with just one hand, Vieco exclaimed in awe!

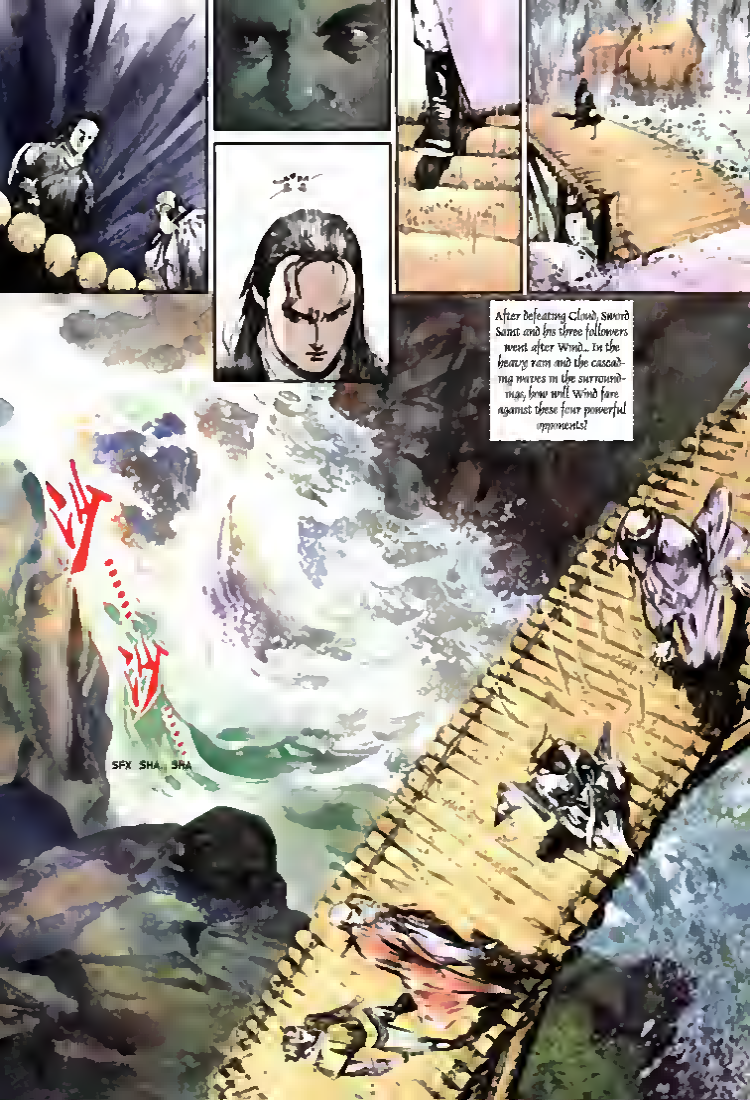
SUPERB!



Swordplay requires both Chi and concentration. Sword Saint, with over ten years of practice, had mastered both. With a simple sweep of his hands, the swords began to move in tandem. That is the famous technique of Swords In Tandem.

SWORDS IN TANDEM

The sudden sword movements, coupled with large amounts of Chi, transformed the wooden swords into ones as sharp as actual swords. They sliced into Cloud as they flew past him, causing him to grimace in agony...



After defeating Cloud, Sword Saint and his three followers went after Wind... In the heavy rain and the cascading waves in the surroundings, how will Wind fare against these four powerful opponents!
